

Welcome

To Bay Point

CHICAGO TITLE

BAY POINT

Bay Point is an unincorporated town that is governed by the county supervisors. The town also has an advisory that decides what to do with redevelopment funds and makes decisions on community problems. Bay Point started with 8,773 residents in the 1980's and ended up with 17,453. In the 90's that number rose to 21,534.

The main highway was widened and improved, but it still clogs in the evenings right before you get to Bay Point from Concord. Because of the excellent BART system in Bay Point the commute there is considered one of the best in the East County. There is always a sure seat in the mornings on BART.

Bay Point's recreation is run by the Ambrose Park and Recreation District, who run the community center, the parks, and the local swimming pool. The Delta is also nearby for lots of fishing and boating activities.

Bay Point's children attend schools in the Mt. Diablo School District. The teens attend Mt. Diablo High School which is located in Concord. Parents aren't very happy with this, so they are hoping for a high school in the area in the near future. Local colleges consist of the Los Medanos Community College in Pittsburg and Diablo Valley College in Pleasant Hill, which are both only about ten miledrives.

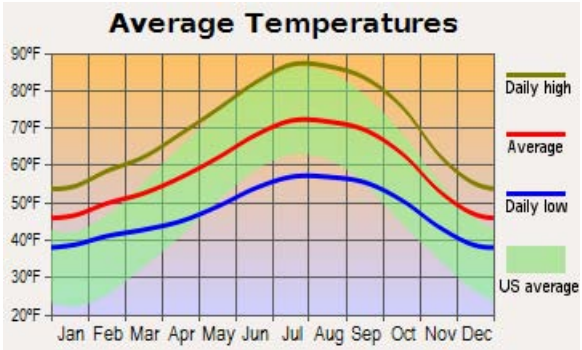

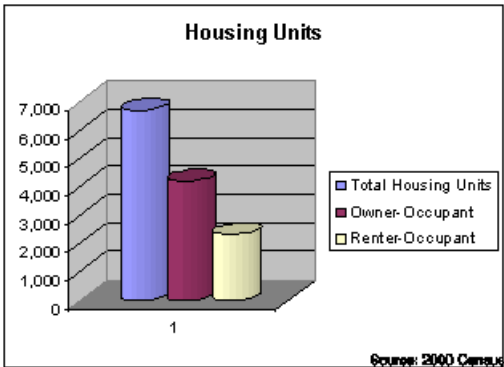

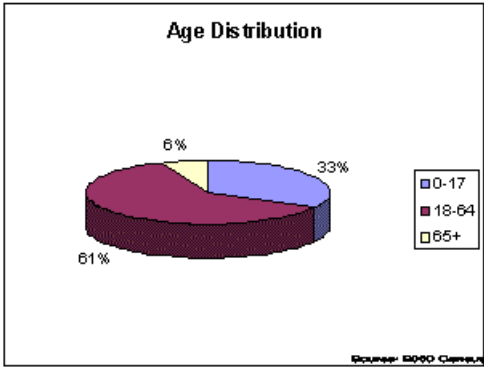

Bay Point is only ten minutes from the Sun Valley Shopping Mall, but there are also other malls nearby in Pittsburg and Antioch.
